

DIVERSITY AND INCLUSION STATEMENT OF DANCEWORKS CHICAGO, INC. NFP

We believe that the way we navigate the world is absolutely informed by our culture, background and experiences. While we are inspired by uniqueness, empowered by our individual gifts and driven by our own self purpose, we believe in the diversity of thought and artistic expression. We embrace differences that inevitably reveal our sameness. We seek to create and support environments that cultivate this inclusionary spirit and believe that our organization should be reflective of the communities that it serves; specifically in the composition and demographics of our board and our staff. We fundamentally trust that the inclusion of different perspectives and ideas will unearth a standard of creativity and innovation that cannot be achieved by one.
